Note for parents

Today your child practised speaking in full sentences with describing words, and did a first mini Show and Tell. At home, ask open questions ("What is it like? Why do you like it?") instead of yes/no questions, and wait a few seconds for the answer. Clap for every try. Sheets 1–3 suit UKG; Sheet 4 with all three sentences is a Grade 1 stretch.

Answers. Sheet 1: big, soft, cold, hot, red, hard. Sheet 2: sad–sad, angry–angry, happy–happy, surprised–surprised. Sheet 3: hides face = Nay, stands tall = Yay, looks and talks = Yay, looks down = Nay.
